VOLUNTEER POSITION DESCRIPTIONS

COURSE MARSHALS

This is a key post in the overall race promotion. Course Marshals serve as aids to the Police and Fire Police in their control of the race course. Course Marshals are assigned intersections on the race course and are provided with race timetables, event t-shirts, and whistles. Course marshals keep the course clear of pedestrians, spectators, cars, etc. Course Marshals help control traffic as the race approaches, asking motorists to wait for the race to pass by, and offering suggestions on alternate routes for the motorists to take. Course Marshals are also a PR Ambassador for the race and can suggest people listen in to race action on WNPV 1440.

For the Cyclosporitif, Course Marshals will be positioned throughout the 60 mile course through the Montgomery County countryside on Saturday morning. For the UCI Race, Course Marshals will be positioned at locations in Souderton beginning at 11:00 am. Course Marshals are a key part of a safe, successful racing event, and Unvest Grand Prix couldn't happen without them!

Course Marshal Captains: Course Marshal Captains are Course Marshals who take responsibility for 8-10 intersections and marshals on race day, ensuring appropriate coverage and communicating with those marshals and with race officials. This is a great way for a volunteer group leader to involve a group!

For the early birds! Get to the Start/Finish (Broad and Main Streets – Rt. 113) area by 5:30am on Race Day in Souderton and help zip-tie the banners up onto the fences.
