**COURSE MARSHALS**  
Course Marshals serve as aids to the Police and Fire Police in their control of the race course. Course Marshals are assigned intersections on the race course and are provided with race timetables, event t-shirts, and whistles. Course marshals keep the course clear of pedestrians, spectators, cars, etc., and help control traffic as the race approaches, asking motorists to wait for the race to pass by, and offering suggestions on alternate routes for the motorists to take.

**BANNER SET-UP AND TEAR-DOWN**  
For the early birds! Get to the Start/Finish (9<sup>th</sup> and Hamilton) area by 7:00am on Race Day and help zip-tie the banners up onto the fences. You will be finished by 9:00 or so. Feel free to come back at the end of the race at 3:00 p.m. and tear down, but if you have to choose one, please come for set-up.
